KIDNAPING AND SHOOTING MARK ELECTION DAY

Precinct Worker Killed; Policeman Beaten to Point of Death

FACTIONAL STRUGGLE REFLECTED AT POLES

"Repeaters" Kidnap Deputy Sheriff; Free For All Fight Exciting

CHICAGO, Sept. 15.—One man killed, three kidnaped, several beaten and a half dozen arrested on charges ranging from election fraud to assault to commit murder marked the local balloting in the Illinois primary election today.

Michael A. Pennessy, a precinct worker, was shot and killed at a Seventeenth ward polling place by a policeman. Detectives who arrested the slayer, said he had been drinking.

One political worker was beaten and robbed and kidnaped. Two other politicians who were kidnaped have not been found.

In a free for all fight in a Second ward polling place a policeman was beaten into unconsciousness and a deputy sheriff kidnaped by a band of armed men who attempted to vote twice. The kidnapers fired in an automobile on which they displayed a "Len Small for governor" sign, according to election officials.

Sergeant John Coyne, the patrolman who was beaten, may die.

CHICAGO, Sept. 15.—Voting in the Illinois primary today opened briskly in Chicago during the morning hours with indications that the total vote cast here might reach 500,000, considerably more than half the number registered.

Up to 11 o'clock one precinct captain had been beaten and a candidate, four arrests had been made and one of the special deputy sheriffs sworn in to guard the ballot boxes had been ousted by a policeman.

The weather was fair and the day promised to be hot, although rain prevailed over much of the state.

As the day wore on reports of conflicts grew more frequent. Three automobiles loaded with armed men kidnaped an election worker at a polling place in the Fourth ward, beat a precinct captain in another polling place and shot up a saloon. Both the men kidnaped and the one beaten are anti-Thompson workers, according to Sheriff Peters.

Police and a special deputy sheriff clashed in the Second ward and Lee Thornton, a colored deputy sheriff, was arrested charged with assault to commit murder after he is said to have drawn a revolver and threatened to kill a detective sergeant.

ONE MAN KILLED.

Michael Pennessy, aged 35, a switchman, was shot and killed by a policeman in an argument said to have started over the election.

The campaign in Chicago has centered about charges of "Tammanyism" directed at Governor Lowden's administration by Governor Lowden's friends who charged the Thompson forces with spoils system politics.

The mayor's friends countered with charges that Governor Lowden charged his personal hotel bills while maintaining presidential campaign headquarters here to the state and that his personal valet is on the national guard payroll at a salary of \$3,600 yearly, \$1,000 more than a lieutenant-colonel receives.

BITTER STRUGGLE.

The bitter Republican factional fight in a decade culminated at the polls in the state-wide primaries today when men and women voted to nominate complete tickets from United States senator down.

The Republican factions made their principal fight for the gubernatorial nomination. Len Small, former state treasurer, a member of the group known as "Federal" or "Lorimer" faction in former years, was backed for governor by Mayor William Hale Thompson, of Chicago. Lieutenant-Governor John G. Oglesby was supported by Governor Lowden.

THOUSAND DEPUTIES.

Congressman William B. McKinley was the Lowden choice for senator, and Congressman Frank L. Smith had the Thompson support.

Sheriff Peters sent 1,000 deputies to the polls and declared interference with them "might lead to bloodshed." The city administration instructed police to arrest the deputies for any violation of ordinances or election regulations.

On the Democratic ticket, former Senator James Hamilton Lewis and Barratt O'Hara, former lieutenant-governor, contested for nomination for governor. Robert Emmet Burke and Peter A. Waler were opponents for the senatorial nomination.

SCORES OF CARPENTERS BUILDING COFFINS FOR RETURN OF WAR HEROES

CHERBOURG, France, Sept. 14.—Preparations for shipping to the United States bodies of American soldiers who fell on the battlefield or died on French soil, are going forward here. Hundreds of carpenters are building coffins, while scores of seamstresses are making the funeral ornaments which will be placed upon the coffins when they are sent back to the United States. Great warehouses have been transformed into mortuaries and tapers are kept burning around the huge catafalque, which is in readiness to receive the bodies as they reach Cherbourg from the front. The American transport Antigon, with a cargo of lumber for coffins, arrived here today.

MILLERAND TO BE PRESIDENT, FRENCH THINK

Deschanel Grows No Better Despite Long Rest and Treatment

PARIS, Sept. 15.—President Deschanel will undoubtedly be obliged to resign because of his ill health, and the question of the presidency will be taken up by the cabinet Friday, according to a semi-official communiqué issued this evening.

PARIS, Sept. 15.—Alexandre Millerand, French premier and foreign minister, is prominently mentioned as the next president of the French republic should President Deschanel resign because of ill health, says the Figaro. Some of M. Millerand's friends declare he will refuse to become a candidate but, nevertheless, there is a tendency to believe he may be induced to accept, if the office is offered him unanimously.

OTHERS MENTIONED.

Should he refuse to become a candidate, there are several other prominent men in public life who might enter the campaign. Among them are Charles A. Jonart, now extraordinary ambassador to the Vatican; Raoul Peret, president of the chamber of deputies; Leon Bourgeois, president of the senate; Alexandre Ribot, former premier; Jules Poincaré, former minister; and Georges Lyautey, former minister of marine.

DECISION SOON.

A premier Millerand had long interview with M. Raymond, minister with Minister of Interior Sogno, who department would have to make arrangements for the election of a new president if the present incumbent should leave office. The premier will return to Paris on Thursday and a cabinet meeting will be held Friday morning. There is a report current that the situation will be discussed at that time and if a definite decision is reached, there will be another meeting soon after.

NOTWITHSTANDING his long rest and treatment by specialists, the Figaro declares President Deschanel is unable to discharge the duties of his office and it is said he, himself, feels he can no longer continue to assume the trust with which he has been invested.

NEW ATTACK LAUNCHED ON EFFECTS OF 'MOVIES'

WASHINGTON, Sept. 15.—The National conference of Catholic Charities hereafter will meet annually instead of biennially. Decisions to hold meetings every year, alternating between Washington and cities in the middle west, was reached by delegates to the conference now in session here, who today discussed civic problems and the work of girls' clubs.

Immoral and uncensored motion pictures were attacked by one of the principal causes of juvenile delinquency by Miss Teresa R. Donohue, president of the League of Catholic Women of New York City, in an address last night before the conference.

NOTED FRENCH WARRIOR WEDS; BRIDE WEALTHY

Marshall Petain and Sweetheart of Years Ago Married in Paris

PARIS, Sept. 15.—Marshal Henri Philippe Petain, commander-in-chief of French armies in France during the latter years of the great war and the French general whose work at Verdun made him a national figure, was married to Madame Hardon at the city hall of the Seventh ward of Paris on Tuesday morning, says the Petite Paraden. The ceremony was witnessed by General Fayolle, another noted French commander during the war, and Madame Gabrielle Ferrier, widow of the celebrated painter, who was stepfather of the bride.

The marriage is a realization of a lifelong dream of the marshal, who knew the bride when she was a very young girl, long before her first marriage. The bride, according to the Excelsior, is very wealthy.

Newspeople here compiled the marshal on the strategy he used in routing reporters and photographers. The Excelsior says Marshal Petain, in anticipation of the event, put himself down in the latest issue of the Paris social register as married.

FELLOW ARMEN START SEARCH ACROSS STATE

Nothing Heard After Liner Left Reno Yesterday Heading for East

TWO BIG ARMY PLANES LEAVE TO JOIN HUNT

Believe Aviator Was Forced Down At Isolated Spot in Waste Land

RENO, Nev., Sept. 15.—Nothing had been heard at headquarters of the aerial mail service here at noon today of the whereabouts of Pilot Eaton, who left here yesterday morning in a mail plane headed east.

Pilot Eaton, flying a privately owned plane with a short flying radius, left here at 9 o'clock this morning to cover part of the route which Eaton should have taken. Eaton will fly as far east as Fallon and look for Eaton in some of the desert country over which he should have flown yesterday.

Two large army planes equipped with radio apparatus are expected to reach Reno about 1 o'clock from Mather field, Sacramento. A field radio station will be set up and the two planes will make a complete reconnaissance of the northern part of the state between Reno and Elko in search of the missing plane.

ASK FOR LAMP.

SAN FRANCISCO, Sept. 15.—Aerial mail officials of Reno have been requested by air mail headquarters here to employ a forest patrol or army airplane to hunt for John L. Eaton, transcontinental mail aviator who has been lost on the Nevada desert since 10 a. m. yesterday.

The authorities here believe Eaton was forced to make a landing at some isolated point on the Nevada desert after losing his way.

Eaton took plane A-1 out of Reno after it had been brought from San Francisco in the record-breaking time of one hour and fifty minutes yesterday morning. At 4:30 p. m. yesterday the authorities here were notified that Eaton had not completed the short flight to Elko.

Two army airplanes carrying three enlisted men and a radio operator as well as their pilots, left the army flying base at Mather field, near Sacramento, for Fallon, Nev., shortly before noon today to hunt for John L. Eaton, transcontinental mail aviator, who is lost on the Nevada desert.

LONDON, Sept. 15.—The board of directors of the Daily Herald, which will accept the Russian soviet government's offer of 75,000 pounds.

A resolution adopted declares that the directors had no knowledge that the money had been offered.

Mr. Maynall, through whom the offer came, resigned.

The Daily Herald, radical laborite organ, recently frankly asked its readers whether it should accept 75,000 pounds from Russian sympathizers. Without the support of this money, it added, it would be compelled to double its price.

MEXICO CITY, Sept. 15.—Petitions asking the government to raise the ban against the sale of intoxicating liquors which was announced last week and which ordered all drinking places in the capital closed from early Saturday afternoon until Sunday morning have been received in large numbers by the government.

No consideration has been given them, according to a statement made last night by Provisional President de la Huerta. His attitude on the part of the administration is considered to reflect its intention to take steps to carry out its proposed "dry" program.

SEIZURE OF ISLANDS BY D'ANNUNZIO IS DENIED

WORKERS FORCE ORIENT FIELD SICK CHILD TO VACATE HOME FOR AMERICANS LAMONT SAYS

Italian Employers Begin to Feel Compromise Plan Is Necessary

NEW YORK, Sept. 15.—The Far East bids fair to become the greatest foreign outlet in the world for American manufacture and enterprise, if properly developed by our business men and investors, declared Thomas W. Lamont, of J. P. Morgan & Company, today, following his return from the Orient where he participated in formation of the new consortium to place China on a firmer economic foundation.

His address was delivered before the American Manufacturers' association. European nations have learned, he said, that the policy of the warship and "grab" is outworn and that they can best serve their interests and those of China by stopping the race for concession and by adopting plans of co-operation.

While a majority of employers strongly resist the workmen's scheme for assisting in the work of management, there is an important section which suggests that the men's scheme be accepted on general lines in order that the conflict going on at present may be ended.

Negotiations between the two sides in the conflict have been rendered more difficult by the work of irresponsible agitators. At Verona, a mob of railway men and street car employees, headed by Signor Scabbello, Socialist deputy, invaded the Rossi factory, the employees of which had refused to occupy the works. Scabbello is declared to have given the Rossi family a minute in which to abandon its adjacent home. Rossi objected, saying he had a sick son and that the physician in attendance refused to take the responsibility in allowing him to be removed.

"We undertake the responsibility," Scabbello is alleged to have declared, and he is said to have covered Rossi with a revolver until the works and the home were cleared.

'BIG BUSINESS' RAPPED IN SPEECH AT BRIGHAM

Accuses Forces of Wealth of Attempt to Defeat His Election

Governor Cox arrived from Brigham City in his special train at 3:20 o'clock this afternoon and immediately was taken to the Alhambra theatre, where he gave his address.

Ogden was prepared to give a rousing welcome to Governor James M. Cox of Ohio, Democratic candidate for president of the United States, upon his arrival here this afternoon for an address at the Alhambra theatre.

The governor was due here at 2:30 o'clock but at that hour he was still speaking to the Peach Day throng at Brigham City.

The governor arrived in Brigham about an hour late, owing to his having added to his speaking engagements instead of limiting them as throat specialists have advised.

Anticipating the arrival of the governor, a huge throng assembled at the Alhambra theatre to hear the governor's address.

MET BY GOVERNOR.

Governor Simon Bamberger arrived in Ogden to greet the nominee here and invite him to make the trip to Salt Lake in the Bamberger automobile.

Mayor Frank Francis was to give the official greeting to the governor upon his arrival here. E. S. Hinckley was to introduce the governor to the Alhambra theatre.

WELCOMING PARTY.

An official welcoming party, consisting of Senator William H. King, Congressman Milton H. Welling, Thomas N. Taylor, Democratic candidate for governor, accompanied the Cox party from the state line. They had gone north this morning to meet the candidate.

'BIG BUSINESS' ATTACKED.

BRIGHAM, Sept. 15.—Thousands of Utah Day celebrants today listened with close attention to Governor James M. Cox, Democratic presidential candidate, who attacked "big business" as responsible for many bad conditions in the United States and said "big business" was organized in an effort to defeat him from being elected.

The governor arrived at 1:45 o'clock from Logan, more than an hour late. He was met at the station by a reception committee, headed by Mayor Peters, who introduced the governor to the throng of celebrants.

INTRODUCED BY MAYOR.

Mayor Peters introduced the nominee as a man who had three times been elected governor of a Republican state. "Although this is a non-partisan gathering," the mayor said, "I am sure we want to hear the message that such a progressive man as Governor Cox can leave with us."

He asked what he declared was the criminal use of campaign funds and then said that American voters should vote just as their sons voted, "to and for."

NO-PARTISAN PARTY.

The governor referred to the Non-Partisan party victories in North Dakota and declared that the farmers were forced to organize themselves into a political organization because they were being robbed by the same group which is fighting against his candidacy.

Furthermore, he declared there was a spread of Bolshevik ideas throughout the nation and that this spread was due in great part to the reactionary methods of this "big business" group.
